

Morecambe Bay Hospitals Lifelong Learning Project

Margaret Longshaw
Union Learning Rep
Lancaster Team

I started in the N.H.S. in 1986 working as a clerical officer in delivery admin. I then moved into the Path lab as office manager in 1993, after going back to college in 1999 to undertake a certificate and subsequently a "diploma" in management.

I became interested in becoming a "Lifelong Union Learning Rep" and undertook the FLAG training course at the end of 2000. I have found the work both interesting and most of the time rewarding.

My interests are: I am an active member of the 'EMMU' Emergence Mobile Medical Unit" providing first aid support at car rallies and equestrian events. I have also recently taken up golf.
