

Morecambe Bay Hospitals Lifelong Learning Project

Edwena Mildner
Union Learning Rep
Lancaster Team

My name is Edwena Mildner, I am a Union Learner Rep, and I can be found working in the H.S.D.U. department, at the R.L.I. Ex 3390.

I have been asked to write a brief history of my working life, which is as follows: I worked for Boots the Chemist, for sixteen years in the West Midlands, starting as a general assistant working through all departments before finally moving into Training and Development as a Territory Training Officer based at Wolverhampton. I was responsible for implementing and assessing the training needs of all the staff within the territory - 34 branches in total. I then progressed into Retail Management, which was extremely rewarding and challenging. However I gave up my career to have a family and to accompany my husband around the U.K. and Overseas. Whilst Overseas I worked in a Military hospital as a Medical Records Clerk, and then a C.S.S.D. Assistant. Following my return to the U.K. I spent a year at the Royal Preston Hospital, in the T.S.S.U department, before coming to the R.L.I. I fully support Lifelong Learning and believe that everyone should have the opportunity to 'Train to Gain.'
